Our gifts to Presbyterians Sharing - Imagine trying to read or understand the Bible if it wasn't available in your native language. Our gifts to Presbyterians Sharing are helping to translate the Bible into several languages: Hakka in Taiwan; Kotoko in northern Cameroon; Izii, Ikwo, Ezaa and Mgbolizhia in Nigeria; and Mauritian Creole in Mauritius. Bible translation is a complex process. It can be a challenge for translators to capture the nuances, imagery and poetry of the Bible stories and to keep the text faithful to the original Hebrew and Greek. Let us thank God for those Bible translators who are helping to shine the light of Christ for people who yearn to read the Bible in their own language.

has been visioning about what things might look like at Living Faith by the time we celebrate our 10th anniversary. The following is our 10th Anniversary Vision Plan as developed by our Session. Let's keep this vision before God, praying that He would bless and direct all that we do in His name.

10th Anniversary Vision

1. **120 people attending weekly**
2. **We would meet or exceed our annual Presbyterians Sharing allocation as well as donate an extra \$5000 to local, national, and international missions**
3. **Our Youth Director position would become full time to provide expanded leadership for our mid-week and Sunday morning children's and youth ministries**
4. **We would be mortgage free**
5. **We would expand our Christian Education wing to include more space for classrooms and fellowship**
6. **We would continue to intentionally create a welcoming environment where all people would draw closer to God and to one another**
