Prayers of the People: *(followed by the Lord's Prayer in unison)*

Our Father, who art in heaven, hallowed be Thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil; for Thine is the kingdom, the power, and the glory, for ever and ever. AMEN

Have you ever wondered what it would be like to spend Christmas in Malawi? PCC mission staff Todd Statham, his wife Annika and their children Sophia and Mio are about to find out, as their first Christmas in Malawi approaches. They have discovered that carefully packed advent candles melt in the scorching heat and that familiar Christmas songs about snow and cold just don't carry the same meaning in their new surroundings. Read about their experience of Advent in their blog at www.pccweb.ca/toddandannika. Todd lectures in Church History and Theology at Zomba Theological College. He and his family receive support from *Presbyterians Sharing*.

Living Faith Community Presbyterian Church is a **"Leading With Care"** congregation, providing a safe place for children and vulnerable adults according to the requirements of the Presbyterian Church in Canada.

This past year, we celebrated our 4th year in our new building, and our leadership team has been visioning about what things might look like at Living Faith by the time we celebrate our 10th anniversary. The following is our 10th Anniversary Vision Plan as developed by our Session. Let's keep this vision before God, praying that He would bless and direct all that we do in His name.

10th Anniversary Vision

1. **120 people attending weekly**
2. **We would meet or exceed our annual Presbyterians Sharing allocation as well as donate an extra \$5000 to local, national, and international missions**
3. **Our Youth Director position would become full time to provide expanded leadership for our mid-week and Sunday morning children's and youth ministries**
4. **We would be mortgage free**
5. **We would expand our Christian Education wing to include more space for classrooms and fellowship**
6. **We would continue to intentionally create a welcoming environment where all people would draw closer to God and to one another**
