Fruit of the Spirit

Last month we covered The Fruit of the Spirit Joy. Your children will be bringing home a Joy Jar. It is my hope that the Joy Jar will help you and your children talk about faith and explore their faith. You can help your younger children by writing their trials down on a piece of paper. In a few months you can look at the trials and talk about the ways that God has used these trials to make their faith stronger. This month we will be looking at The Fruit of the Spirit Patience.

Registration Forms

We are currently updating our information about your children and we would like you to fill out a new

registration form so that we have the most current information possible. The registration forms are at the front desk in the entryway. This is a *new* form so even if you have previously filled one out we still need you to fill this one out.

Sign In/Out

Due to increased numbers of children attending on Sundays we have a sign in/out policy. At the desk in the front entryway there will be a sign in/out binder. Please take the time to sign your child in before church and out after church. This way we will know exactly who is with us. We want to make sure that all the children

arrive to us safely and that they all return safely to you.

Right Now Media

As part of becoming an orange church, Living Faith at Home, I would like to take the time to introduce you to Right Now Media. Our church has a subscription and the videos, bible studies and children's section are a wonderful resource for anyone who is guiding children or looking for guidance themselves. There are many topics to choose from and new material is added all the time

To tap into this wonderful resource simply email Heather Malnick at livingfaithbaxter@gmail.com.
